PROFILE

B.Tech Information Technology graduate with skills in Python, Java, SQL, web technologies, and data analysis. Gained practical experience through internship and academic projects involving data processing, machine learning, and application development. Looking to apply technical and analytical skills in technology-driven roles and contribute to practical business solutions.

EDUCATION

B.Tech – Information Technology	CGPA: 8.51/10
E.G.S. Pillay Engineering College, Nagapattinam	2022–2026
Higher Secondary Certificate (HSC)	85%
Government Higher Secondary School, Peralam	2021–2022
Secondary School Certificate (SSLC)	93%
Sri Sankara Matriculation Hr. Sec. School, Peralam	2019–2020

INTERNSHIP

Python Programming Intern CodeAlpha	Jun 2024 – Sep 2024
- Applied Python programming concepts to develop, test, and implement programming tasks. - Strengthened practical programming skills through hands-on tasks involving problem-solving, debugging, and implementation using Python.	

PROJECTS

Sentiment Analysis of Incoming Calls on Helpdesk	TEAM LEADER
- Developed a Machine Learning-based system to convert customer speech into text and classify sentiments from helpdesk conversations. - Supported customer service analysis by identifying sentiment patterns for service quality assessment. Technologies: Python, Machine Learning, NLP, Speech-to-Text, NumPy, Pandas, Matplotlib.	
Crowdsourced Delivery Application	
- Developed an Android-based application with user authentication, delivery request management, and order tracking features. - Led the team in designing and integrating application features for a seamless user experience. Technologies: Java, XML, Android Studio, Firebase.	

PROFESSIONAL SKILLS

Programming	Python, Java
Web	HTML, CSS, JavaScript
Database	SQL, DBMS
Data Analytics	MS Excel, NumPy, Pandas, Matplotlib
AI	Machine Learning, Generative AI (GenAI), Agentic AI – Basic Knowledge
Tools	Git, VS Code, Android Studio

CERTIFICATIONS

Introduction to Data Analytics — Simplilearn	Mar 2026
AWS Cloud Practitioner Essentials — AWS Training	Nov 2025
Database Management System — Infosys Springboard	Jun 2025
Getting Started with AI — IBM SkillsBuild	Feb 2025

ACHIEVEMENTS

- Conference Presentation** – Presented a research paper on Sentiment Analysis at ICIRET-2026.
- Academic Year Long Engagement Award** – Recognized for consistent academic engagement throughout the year.
- Third Rank in HSC** – Secured third rank overall in the Higher Secondary School Examination.
